ally appeared W W Anderson a respectable Citizen
of said County and State who being by me duly
examined says that he knows Isaac Lee who applies
himself for pension from the State of Texas that
he has known him well since 1842 and has
every reason to believe that said Lee rendered

and further that he has copy reason to believe
that this is the identical Isaac Lee whom a
Family warrant was issued by the State of Texas
for three hundred and twenty acres of land
for said services in said Army from the fact
that when said Certificate was located in the said
Anderson filed it with the ~~the~~ 73rd regimental of his
